**What causes concern?**

**Are there areas of our parish worshipping life that need to be addressed in the future?**

**What can we do to encourage more growth?**

**Should we add anything or stop anything?**

**Please think about sustainability in terms of who does what to ensure certain services take place; please think about children, young people & families; please think about what needs to be every week and what can be reduced across a month; please think about what needs to be included in services to achieve any hopes and dreams; please think about how we include Bentworth, Lasham & Shalden - what do they need and how can we schedule it sustainably?;**
